Yes, it's a DEC well. Already taken care of. I'm having it repaired today.

Hi Kristy, By any chance is this well in the vicinity of 1 Personal Privacy/ Ex 6 Home address a NYSDEC well? It's not EPA Superfund style but is located in an area of interest. Any clues?

Hope all is going well. The NYSCPG got 3 folks to express interest as a director. I might try you again next year. Even though I'll be in Florida, they asked me to stay on. Go figure.

Hi Jason,

Hope all is well and you are enjoying Summer.

Was hoping you could help me track down who owns the attached monitoring well? See photo and map attachment.

The cover is missing and it is dangerous.

Personal Privacy/ Ex 6 Home address

Thank you,

Stan Carey, Superintendent
Massapequa Water District
